# February 23, 2023

#### CAUTIONARY STATEMENTS REGARDING FORWARD-LOOKING STATEMENTS

Information in this supplemental information package that is not current or historical factual information may constitute forward-looking statements and information (collectively, "forward-looking statements") within the meaning of securities laws. Implicit in these forward-looking statements, particularly in respect of Boardwalk's objectives, Boardwalk's strategies to achieve those objectives, as well as statements with respect to management's beliefs, plans, estimates and intentions, and similar statements concerning anticipated future events, results, circumstances, performance or expectations are estimates and assumptions subject to risks and uncertainties, including those described in the third quarter Management's Discussion & Analysis of Boardwalk and the year-end Management's Discussion & Analysis of Boardwalk REIT's 2022 Annual Report under the heading "Risk and Risk Management", which could cause Boardwalk's actual results to differ materially from the forward-looking statements contained in this supplemental information package. Specifically, Boardwalk has made assumptions surrounding the impact of economic conditions in Canada and globally, Boardwalk's future growth potential, prospects and opportunities, the rental environment compared to several years ago, relatively stable interest costs, access to equity and debt capital markets to fund (at acceptable costs), the future growth program to enable the Trust to refinance debts as they mature, the availability of purchase opportunities for growth in Canada, general industry conditions and trends, changes in laws and regulations including, without limitation, changes in tax laws, mortgage rules and other temporary legislative changes in light of the COVID-19 pandemic, increased competition, the availability of qualified personnel, fluctuations in foreign exchange or interest rates, and stock market volatility. These assumptions, although considered reasonable by the Trust at the time of preparation, may prove to be incorrect. For more exhaustive information on these risks and uncertainties you should refer to Boardwalk's most recently filed annual information form, which is available at www.sedar.com. Forward-looking statements contained in this supplemental information package is based on Boardwalk's current estimates, expectations and projections, which Boardwalk believes are reasonable as of the current date. You should not place undue importance on forwardlooking statements and should not rely upon forward-looking statements as of any other date. Except as required by applicable law, Boardwalk undertakes no obligation to publicly update or revise any forward-looking statement, whether a result of new information, future events, or otherwise.
